Tuition Payment Schedule 2015–2016

SAVE \$\$ with Early Enrollment, Family Discounts & Advance Payments!

To guarantee a smooth operation of the school, we would like to share with you the following tuition information.

Tuition for 2015-16 will remain the same as the previous year. The regular tuition is \$32 per child per month and \$40 per adult per month. The school year runs from September through June (ten months). The total tuition is \$320 for children and \$400 for adults. There are **special rates for early enrollment (by August 29, 2015); advance full-year payment; and family enrollment**—20% discount for the second child or adult in the same family/household, 30% for the third student; additional students are free (see below).

Tuition is due at the **beginning of each quarter** (please mark your calendar). The due dates are **October 3, December 12, and March 12**. **A late fee of \$10 applies for each overdue payment.** If you choose quarterly installments, the first payment includes the tuition for June of the following year. The June payment is nonrefundable, in lieu of a registration fee.

Please note that if, for any reason, you should be unable to follow the payment schedule, please contact the Treasurer/Registrar Joana Bonura right away (email: mail4jb9@gmail.com).

Enrollment for *one ADULT and CHILDREN*

The following table summarizes the four tuition payment plans for one adult and children, including early enrollment (by August 29, 2015) and compares the total payments for the whole school year. (Advance full-year payments are due on **October 3.**)

| Tuition Summary for One Adult and Children | Total tuition for the whole school year (September 2015–June 2016) | | | |
|--|--|---|---|--|
| | Regular tuition Payment in quarterly installments | –10% Full-year advance payment (due 10/3) | –15% | –20% |
| | | | Early enrollment (by 8/29)... ...quarterly installments | ...advance full paym't (due 10/3) |
| Payment plan | Plan A | Plan B | Plan C | Plan D |
| One adult + one child | \$656 (\$400+\$256) | \$590.40 | \$557.60 | \$524.80 |
| One adult + two or more children | \$880 (\$400+\$256+\$224) | \$792 | \$748 | \$704 |

Notes: Discounts apply to advance full-year payment; all students (adults, children) must live in the same household.

When more than one adult enrolls, the adult tuition is counted first. For example, a family enrolling two adults and two children will pay the family discount for one adult (full), second adult (20% discount), and one child (30% child discount). The second child is the fourth student and is therefore free.
